◆ How to use the voucher

- The vouchers can be used at retail stores, restaurants, service providers and for payment of public medical insurance and nursing-care insurance services borne by the individual.
- Please use the voucher at the listed registered stores or the registered stores where the poster below is on display.
- ※ Large stores are marked with ★ before their name on the “registered store list” at the back.

Exclusive voucher for local stores

This voucher can be used at registered stores including smaller and medium-sized stores (except for large stores) and restaurants.

▲ Marked by blue posters and banners

Combined voucher

This voucher can be used at all registered stores including large retail stores, smaller and medium-sized stores and restaurants.

▲ Marked by red posters and banners

! Be careful of bank transfer fraud that claims to sell fake shopping vouchers, and phishing that tries to steal your personal information.

- When issuing shopping vouchers, we do not ask for fees.
- We do not ask for personal information such as the compositions of your household.
- If you receive a suspicious phone call or mail, please inform the Iga Police Station.
